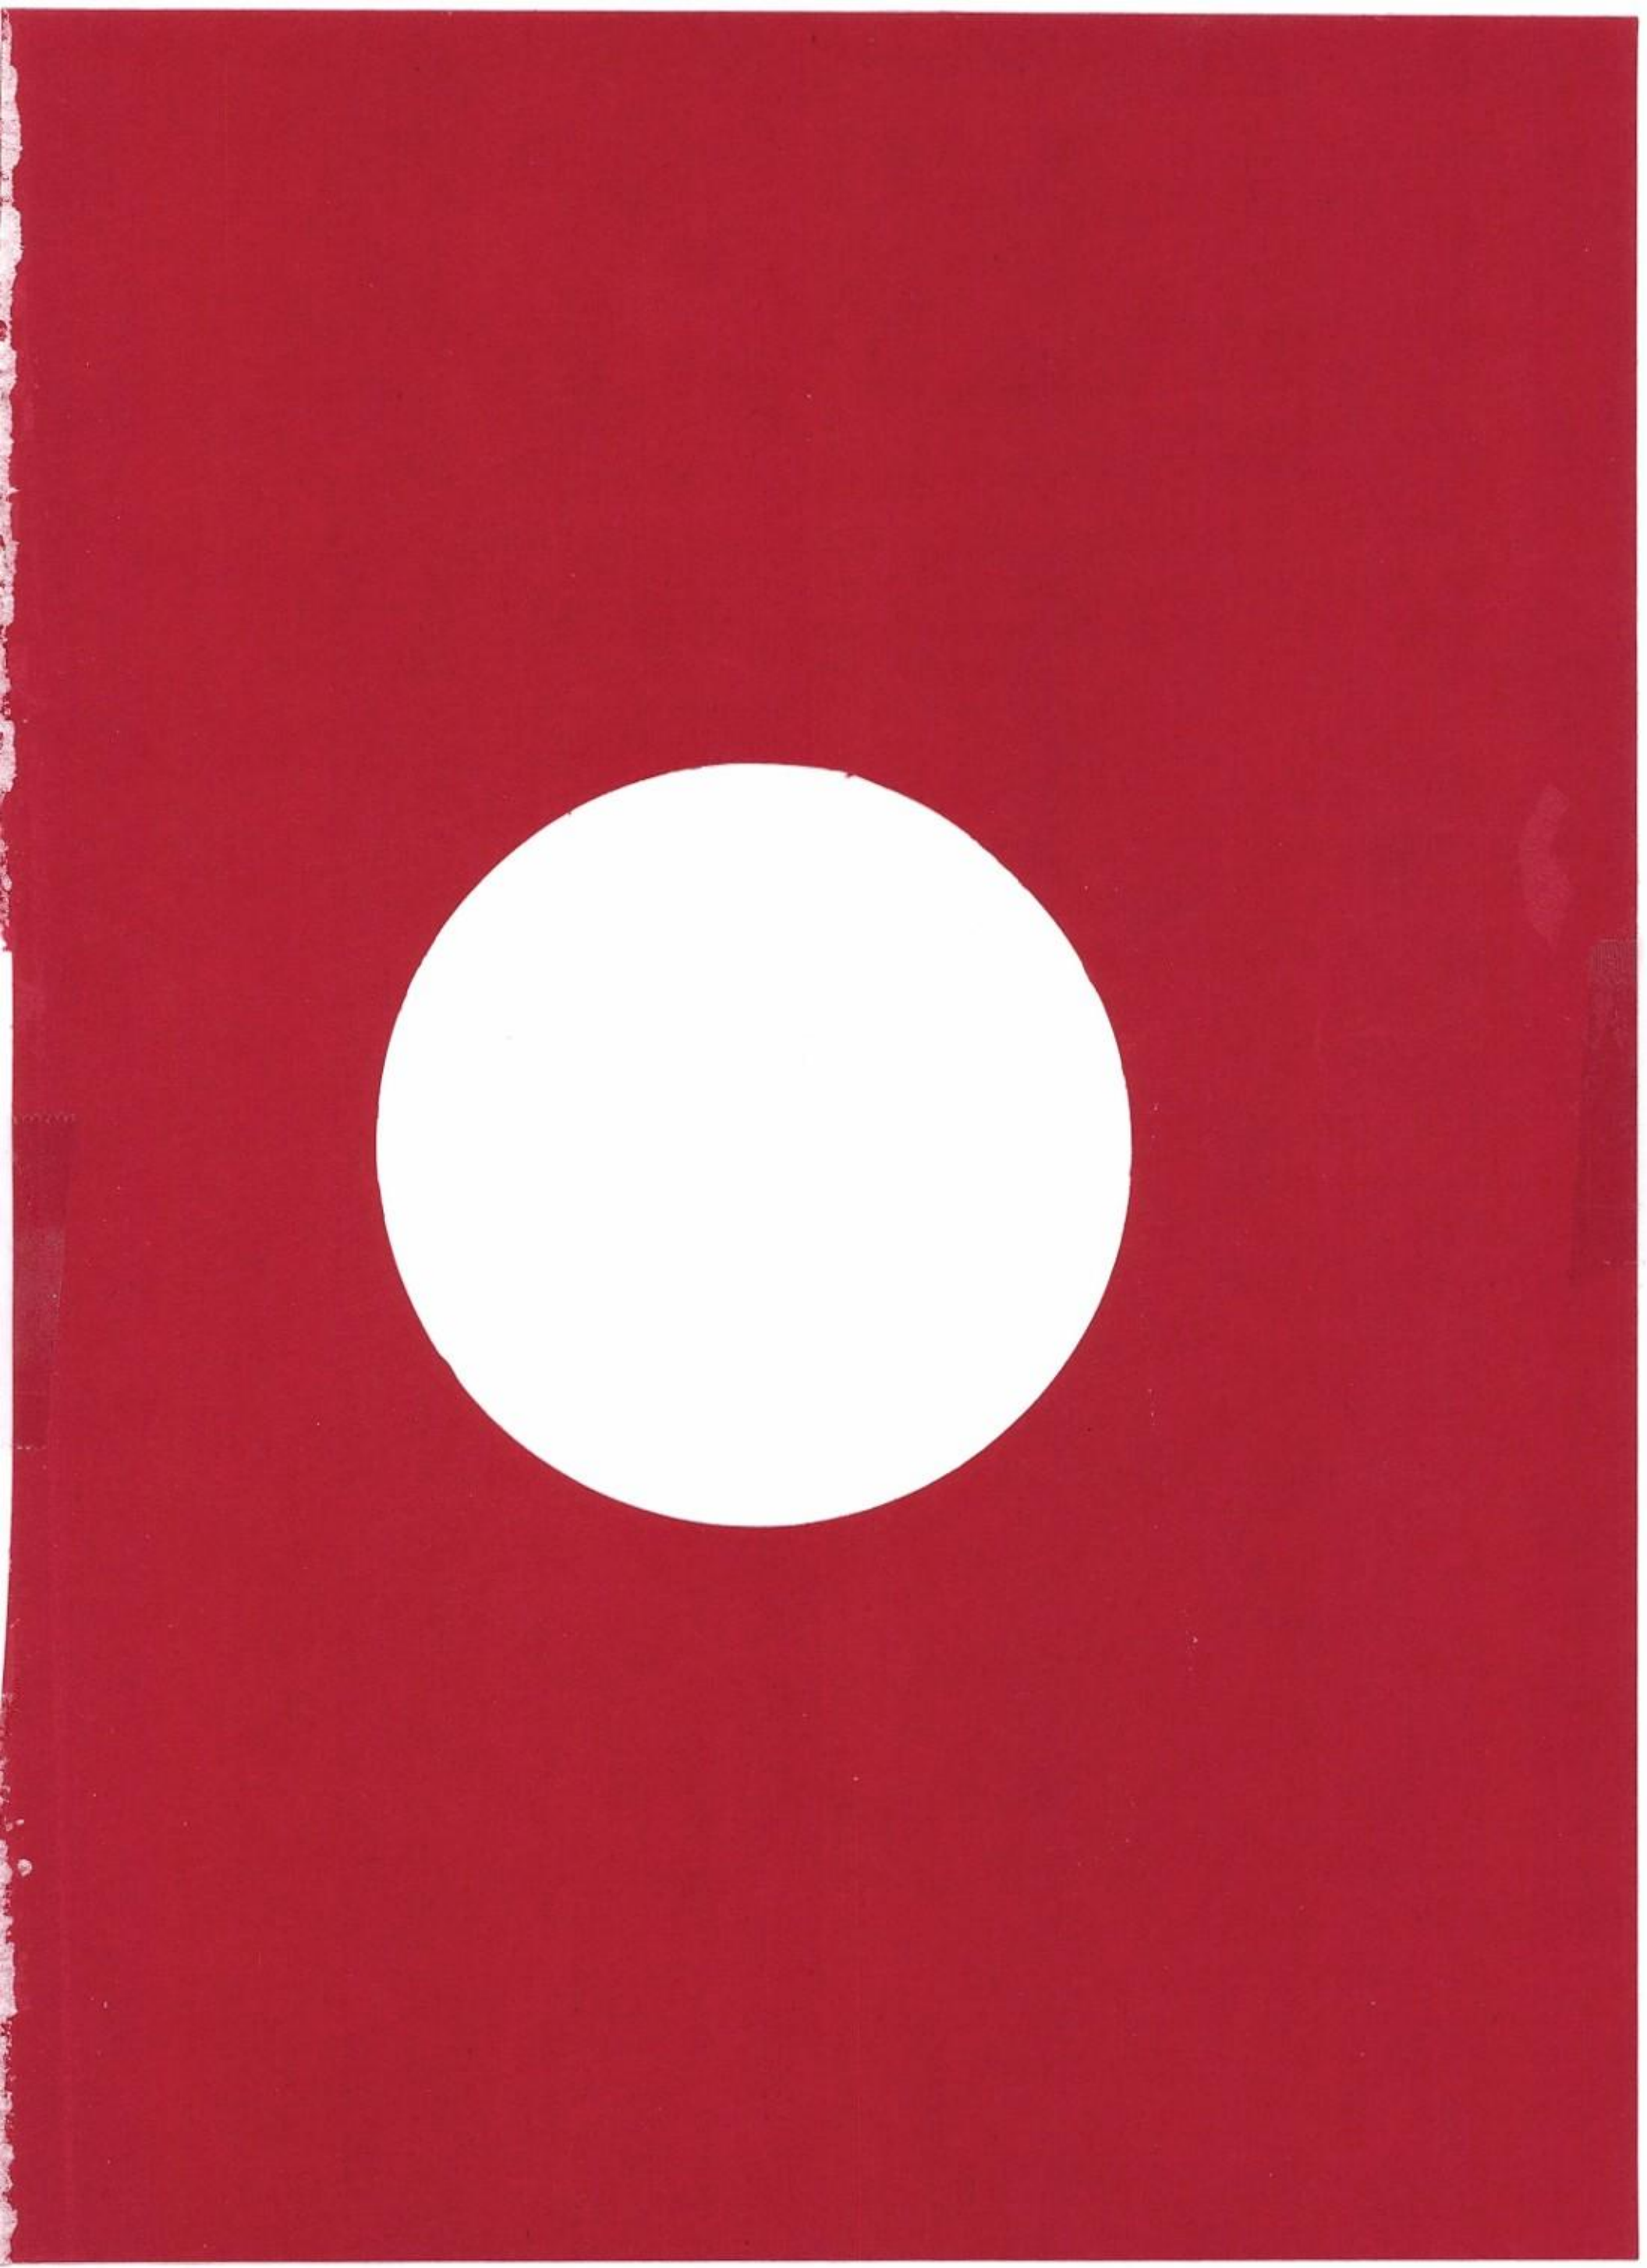
Buffalo Roundup

1962

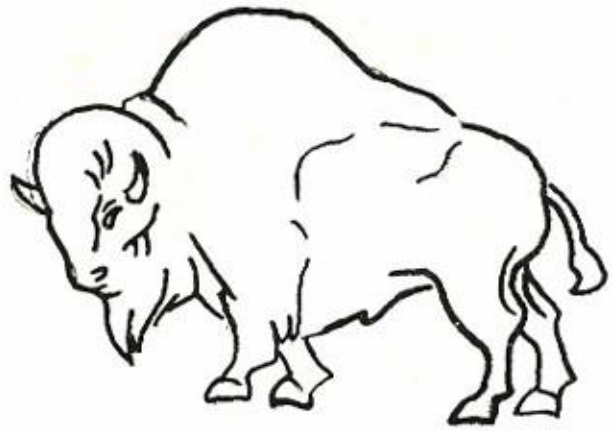
L. M. HAYS



BUFFALO ROUNDUP

1962

Volume Seventeen



STANTON HIGH SCHOOL

Stanton Texas

It is customary to dedicate the Yearbook to some one who has made a definite contribution in some manner to the well being or the progress of the school. In the immediate past years this dedication has been to an individual or to a small group of individuals.

There is a large group of individuals which makes it possible every school year for the High School to publish the type of Yearbook we think is representative of our school and community. To this group we want to express our most sincere thanks for the continued support given our book.

In consideration of these things, we, the Staff of the 1962 Buffalo Round Up, do dedicate this Volume Seventeen of the Round Up to our Sponsors - the merchants of Stanton, Big Spring, And Midland - who have helped us every year by advertising in our Yearbook.

DEDICATION

Again it is the time of the year when it is my privilege to bring congratulations to the Yearbook Staff and to its Sponsor for the completion of the book. I do congratulate you on your achievements and success in this publication.

Also I wish to congratulate the many departments of our school on the achievements they are making in an educational way, and for the successful development of our boys and girls as citizens of tomorrow.

Congratulations should also go to the members of the Student Body for their efforts in casting off the selfish and petty things of life and working together as a group for the success of our schools.

Sincerely,

Superintendent

When putting out a yearbook, it is easy to "get in a rut", because it may seem that through the years all the ideas have been used over and over again, and then still overdone!

This year we have attempted to get out of this rut by using original artwork, an original cover, and some original layout patterns.

I hope that this 1962 Buffalo Roundup is new and different in appearance, but the content is intended to be what all school yearbooks should be---a cherished and lasting record of warm and fond memories of your school days that will keep those beautiful realities of the past in your list of remembrances forever, and perhaps they will become someone's dream, in the future.

Sincerely yours,

Mona Galey

Faculty Who's Who

These are students chosen by the faculty, who in comparison with the average of their classmates,

1. have shown themselves to be better citizens;
2. have shown greater potentialities for future usefulness to themselves and to society;
3. have shown a superior or above average in some or all of the following:
   a. scholarship
   b. athletics
   c. publications
   d. speech
   e. music
   f. leadership and service in school, church, or community service
   g. membership and services in offices held in school organizations
   h. useful and successful hobbies

To choose these outstanding students, each member of the faculty submits five names. From the list compiled, the five highest are chosen for this page. This year the following 31 students were nominated. We are honoring them by listing their names.

Seniors: Sandra Kelly, Steve Springer, Nina Yater, Glenn Wren, Frances Graves, Herb Sorley, Charles Lester, Janice Sims.

Juniors: Ted Stewart, Buddy Glaspie, Kay Bryan, Joanna Epley, Ann Yater, Marilyn Sale.

Sophomores: Frances Gossett, George Foreman, Benny Womack, Mary Glaspie, Carol Nichols.

Freshmen: Tommy Bullard, Ray Louder, Mary Wilson, Carolyn Springer, Carroll Anderson, Claudeen Nowlin, Derrill Brantley.

And those who received the highest votes - all seniors - Mona Epley, Marsha Bristow, Glenda Payne, Sammy Webb, and Jim Sale.

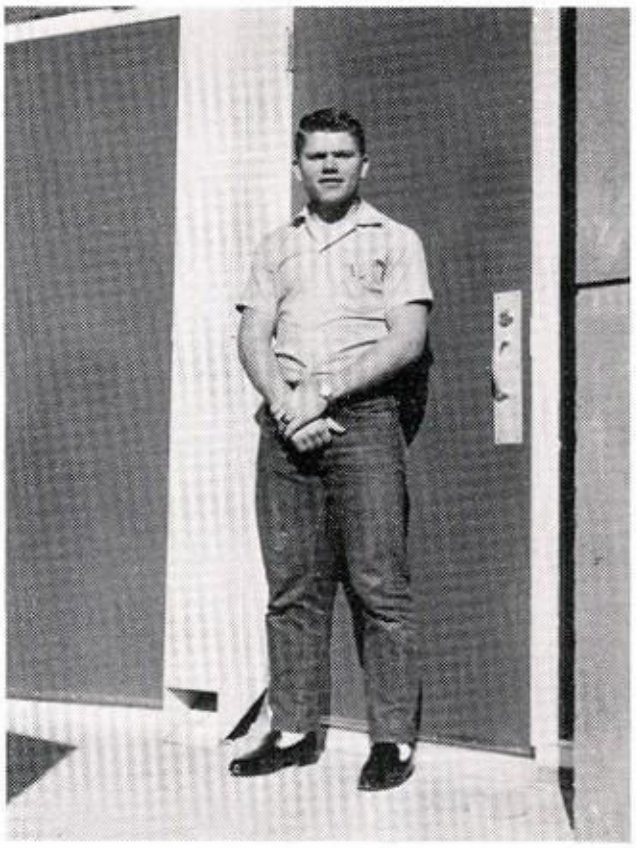
It is not a surprise that Jim Sale was selected for the Who's Who.

Jim has participated in athletics all four years winning honorable mention his Junior and Senior years. He was captain of the Stanton Buffaloes his Senior year. Jim has also been an active member in the Letterman's Club for four years.

Jim also has the interest of all his classmates and students. He has served as class officer for three years, been Class Favorite, and Student Council Treasurer. He has been active in agricultural activities being a member of the FFA for three years and an officer his Junior year. Jim was on the annual staff his Freshmen year as Sports Editor.

His popularity with the students is shown by his being elected Mr. SHS and Friendliest his Senior year.

All must agree Jim is certainly a credit to our school as a leader and student.



JIM SALE, Senior

GLENDA PAYNE, Senior

A girl whose accomplishments are known by all is Glenda Payne. She has been active in many extra-curricular activities including basketball for three years on the "B" team and basketball manager her Jr. and Sr. years. She participated on the volleyball team all four years. Glenda was a member of the Pep Squad ever since she came to Stanton High.

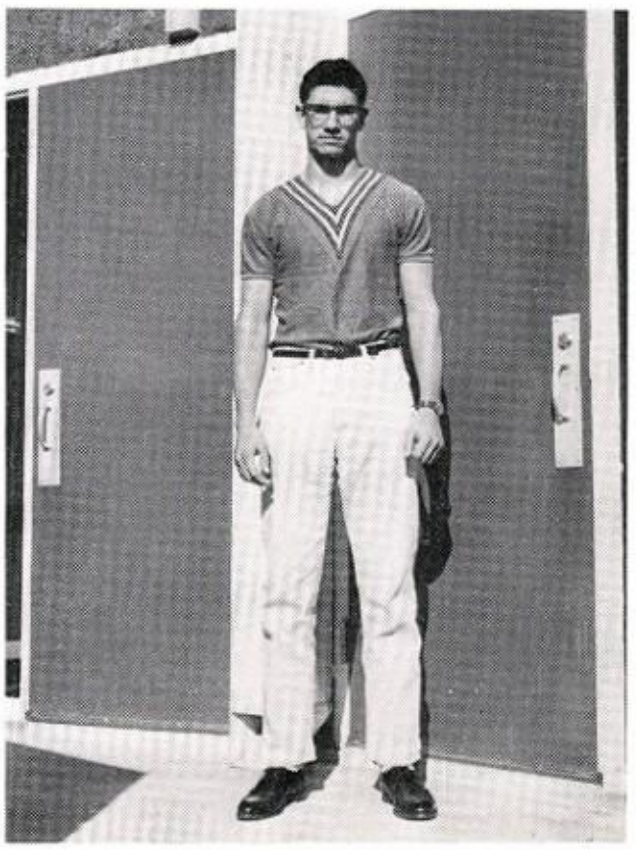
Glenda has held several honors in high school by being President of the Student Council her Senior year and a member for three years. She attended TASC and SASC. She became a member of the National Honor Society her Sophomore year and held the office of Secretary.

To show her popularity with the students she was elected Most Likely to Succeed. Glenda has also played an important part in her church, and has proved herself to be an asset to our school and community.

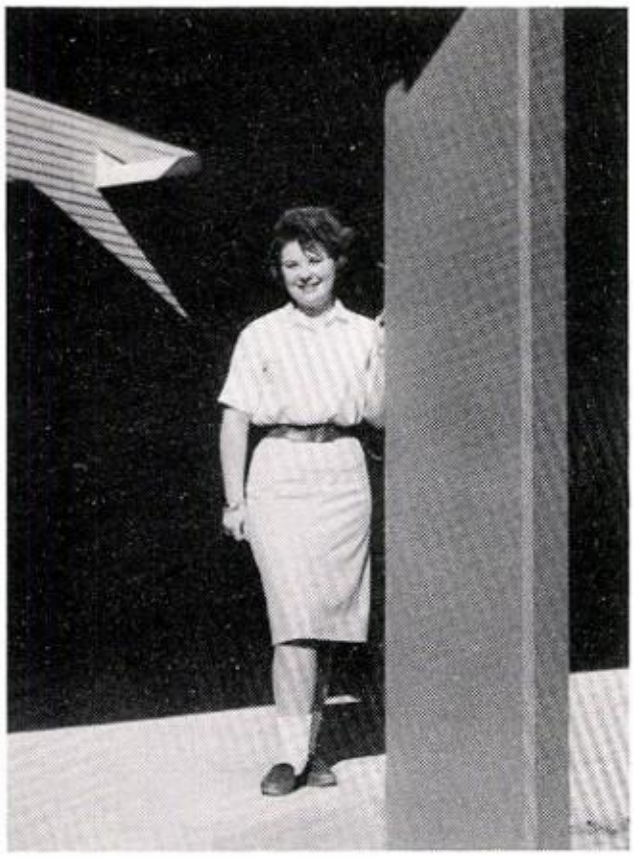
A tall, dark, handsome fellow that we all know well is Sammy Webb. He has been active in all kinds of sports. He played football his Junior and Senior years, serving as captain his Senior year. He played basketball on the "B" team his Sophomore year and then moved up to the "A" team his Junior year. He has been in the Letterman Club two years and served as an officer his Senior year. He also served on the track team his Junior year.

During his Junior year he achieved several honors by participating in the speech play, Junior play, and Senior play. He was Halloween Prince and Basketball Beau.

During his Senior year he proved to be very popular. He was elected as class officer, class favorite, Best-All-Around, Most Handsome, and Citizen of the Month.



SAMMY WEBB, Senior



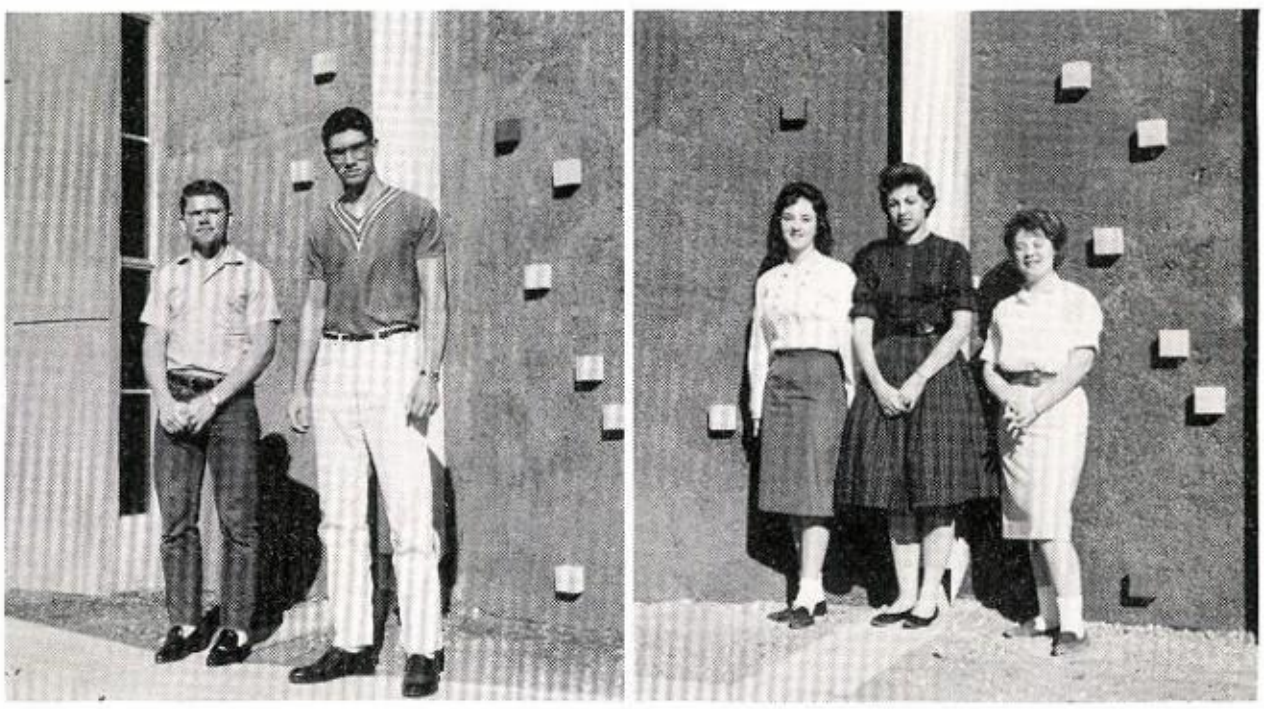
MONA EPLEY, Senior

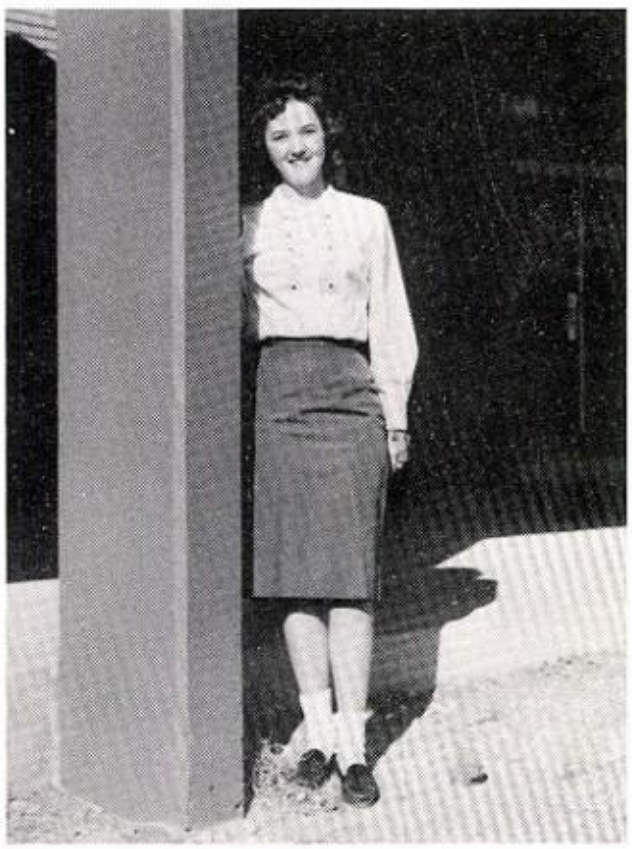
A person whose activities measure more than her height is Mona Epley. She was active in band, serving as historian her Freshman year, and as a member of pep and stage bands. The yearbook was one of her more important activities. She was Class Editor, Elementary Editor, Co-Editor, and Editor.

Mona was most active in FHA four years and has been both Treasurer and President. She was selected to run for an Area FHA office her Junior year, holds the Junior, Chapter and State Degrees, and has attended two State Meetings, as well as many District and Area Meetings. She has participated in Interscholastic League Spelling and Ready-Writing, and has had roles in both the Junior and Senior plays. She was on the staff of the Buffalo Heard, serving as class reporter and as Feature Editor.

Mona has been a member of the National Honor Society since her Sophomore year, has received several Merit Awards and has been presented the NEDT Certificate of Commendation. She was an active member of Student Council, served as Secretary her Senior year, and attended West Texas Forum and State Convention. She was also selected as Citizen of the Month her Senior year. Mona has worked enthusiastically on many class committees all four years, and was on the program at the Junior-Senior Banquet.

It is truly an honor to have a student with these qualifications a member of SHS.





MARSHA BRISTOW, Senior

"If it is worth doing, it is worth doing the best you can" is the motto of Marsha Bristow. She has enjoyed her high school years very much mainly because she has entered into almost every activity with enthusiasm.

As Marsha plans to become a home economics teacher she has been very active in FHA. She has served her local FHA as vice-president and as degree chairman for the past two years, was District IV President during her Junior year, and State Second Vice-President her Senior year. Marsha has received the highest degree, the State Homemakers Degree. She has attended three State Meetings, numerous district and area meetings, and the National FHA meeting held in St. Louis, Missouri last summer.

Marsha enjoys her band work too. She plays first chair Saxophone in the Concert band, and has been head majorette for four years. She plans to continue her band in college.

She also belongs to National Honor Society. She has been active in this since her sophomore year. She is a permanent member of the Student Council, to which she has belonged since her freshman year; she has attended state meetings, southern meetings, district, and National Meeting held in July of 1960 in Janesville, Wisconsin. Marsha played basketball her freshman year and tennis her sophomore year. She has also participated in Interscholastic League and in both the Junior and Senior plays.

This is the third time she has appeared on the Who's Who Page.

Full Band

This was an eventful year for the Stanton High School Band. Performances in ten football games kept the band in motion until early November. Work was then begun on marching contest and came to a grand climax as the band received a Division II. Also our Majorettes were outstanding in the contest.

A Santa Claus Parade, the Midland Christmas Parade, a concert, and a grand party filled the Christmas season. The band is planning during the rest of the year to attend two festivals, give several concerts, participate in Interscholastic League events, and close the year with the annual Awards banquet.

We now have a band hall and an auditorium that have excellent facilities. The working attitude of the band members, accompanied by a spirit of wanting to win and to be the best, has paid off. Under any criteria of judgment, Stanton has a band that is musical and filled with quality students. This has been a year of accomplishment.

MARSHA BRISTOW

Marsha is serving as State Second Vice President in charge of degrees. She and her committee worked toward clarifying the printed State Degree material and wrote a new State Degree ceremony which was used at State Meeting in Dallas. Marsha attended National FHA Convention in St. Louis last July, State Executive Council in Austin last August, and was honored at the Award Dinner at the State Fair of Texas in October. She has had articles published in The Future Homemaker, and in a book of Travel Tips for the FHA delegates attending State Meeting. A story about her is in the FHA scrapbook. Marsha appeared on the State Meeting Program in Dallas several times, including when she conferred the State Degrees.

Kay is outgoing District IV President, and an incoming Area II Officer. She was selected to serve as an area officer at District Meeting in Big Lake last October, and will be told what office she will hold at Area Meeting in Midland on March 23.

SPORTS

Stanton Buffalo Cheerleaders were elected in the spring of 1961; Most Saturday's that spring and June and July of that summer were spent raising money for cheerleading school by baking cakes, washing cars and selling penants. They attended S.M.U. Cheerleading School in Dallas, August the 13th through 18th accompanied by their sponsor Miss Robertson. They returned after winning two 2nd prizes a third and a fourth prize. Their activities consists of pep rallies, school spirit promotion, and election of new Stanton Cheerleaders.

Stanton	Coahoma	64-53	Stanton	Slaton	58-53
Stanton	Grand Falls	64-30	Stanton	Denver City	83-52
Stanton	Coahoma	56-36	Stanton	Tahoka	78-53
Stanton	Big Springs-Soph	59-49	Stanton	Post	59-48
Stanton	Westbrook	73-56	Stanton	Slaton	82-81
Stanton	Water Valley	48-25			

We entered 3 Tournaments; one at Garden City, one at Coahoma and one at Reagan County. We won first place at both Coahoma and Garden City. We won 21 and lost 4.

Football

The 1961 Stanton Buffalo Football team had a successful season, even though they didn't win all their games.

Forty-five boys participated in football this year, fielding two different teams, the Junior Varsity and the Varsity. The Junior Varsity was coached by Coach Donn Stringer, and although they were not too successful in winning games (they had a 0-4 record) all the players got valuable playing experience.

Herb Sorly, Jim Sale, Sam Webb, and Robert Turner served the "61" varsity squad as captains.

1961 Records

Merkle	20-6	*Denver City	20-44
Big Lake	0-15	*Tahoka (Stanton won on penetrations 4, 1)	8-8
Coahoma	28-14		
Ozona	14-0	*Slaton	26-0
Ft. Stockton	8-15	*Post	24-14
Crane	6-20		

Stanton finished second in District 3AA behind Denver City. Four boys placed on the All District team. They were Herb Sorley, Mike Sorley, Sam Webb, and Bud Glaspie. In addition to these honors, the Quarterback Club initiated a new plan by which the back and lineman who played the highest quality of football the previous week were awarded certificates. Boys honored in this way were Jim Sale, Bud Glaspie, Herb Sorley, Sam Webb, Mike Black, Dewey Anderson, Joe Williams, and Robert Turner.

The back of the year, honored at the football banquet, was Jim Sale. The lineman of the year was Herb Sorley. Herb was also chosen as the year's most valuable player.

The captains for next year have been chosen: Dewey Anderson, Bill Graves and Bud Glaspie.

We lose six men by graduation - five were starters: Herb Sorley, Jim Sale, Steve Springer, Mike Black, Sam Webb, Robert Turner, and Phillips McKinney. Fourteen lettermen will return including six of last year's offensive starters and seven defensive starters.

School Dedication Ceremonies Set

Dr. Gage Loyd To Be Speaker Here Sunday

The beautiful new Stanton High School auditorium-band hall will be dedicated with appropriate ceremonies Sunday afternoon, February 25.

Superintendent L. M. Hays has advised that the open house will be held from two o'clock p.m. until 3:30 p.m. and following the dedication program, the building will be closed.

Taxpayers residing in the Stanton Independent School District approved a $160,000 bond issue in March of 1961 to make construction of the auditorium-band hall possible.

In July, 1961, the school board awarded the general construction contract to Rose Construction Company of Abilene.

At that time, Supt. Hays advised the press that $150,000 would be used for actual construction of the buildings and that the remainder would go to purchase furniture and equipment.

Actual construction was started by the contractors in late July of 1961.

Members of the Stanton school board approved the buildings last Friday and the open house and dedication was immediately arranged.

The dedication program will get underway at 3:30 p.m. Sunday afternoon.

Rev. W. H. Uhlman, pastor of the First Baptist Church, this city, will offer the invocation and the school band, under the direction of Taylor Stephenson will present two selections.

Supt. Hays will introduce members of the school board and other platform guests.

Connie Mack Hood, president of the board, will present Dr. R. Gage Loyd, pastor of the First Presbyterian Church of Big Spring, who will deliver the dedication address.

Rev. Ellis Todd, pastor of the First Methodist Church, this city, will voice the benediction.

400 Attend Dedication Rites

Approximately 400 people attended the Open House and dedication ceremonies of the new Stanton Band Hall and Auditorium Sunday afternoon, February 25.

Reverend W. H. Uhlman, pastor of the First Baptist Church, gave the invocation and the school band, under the direction of Taylor Stephenson, played two selections.

Superintendent of Schools, L. M. Hays, commended The Stanton Reporter and Neil Estes, editor and general manager, for his aid in publicizing the project from its inception to its utlimate accomplishment.

Members of the board and other platform guests were introduced by Superintendent Hays.

Connie Mack Hood, president of the school board presented Dr. R. Gage Loyd, pastor of the First Presbyterian Church of Big Spring, who gave the dedication address. Dr. Loyd emphasized the value of education in relation to democracy and stressed the need to provide the necessary facilities so important in imparting wisdom to our young people.

Acting as hostesses were the following student council members: Glynda Payne, Mona Epley, Marsha Bristow, Nina Yater, Dorothy Lawson, Ann Yater, Martha Johnson, Linda Lawson, Mary Glaspie, and Mary Wilson.

Assisting the girls and also members of the student council were: Marcus Hannah, George Foreman, Rodney Payne, and Jim Sale.

Glenn Orbits Earth

★ ★ ★ ★ ★ ★ ★ ★ ★ ★

Astronaut John H. Glenn, Jr., soared triumphantly around the world three times Tuesday and President Kennedy said he would tender a grateful nation's thanks to the hero in Cape Canaveral, Florida Friday.

★ ★ ★

To circle the globe three times and travel more than 81,000 miles in the process required only four hours and 56 minutes.

★ ★ ★

When Glenn and his capsule were plucked from the tepid seas by the destroyer, USS Noa, at 2:01 p.m. he reported: "My condition is excellent."

★ ★ ★

Glenn's first comment as his capsule Friendship 7 descended was sent in a radio message to Project Mercury control in Florida: "Boy, that was a real firefball of a ride."

★ ★ ★

As Glenn started his third and last orbit around the world at 17,530 miles per hour, he reported: "I feel real good. No problems at all."

★ ★ ★

Even while Glenn was in his last orbit, which varied from 100 to 160 miles high, congratulations were pouring in from much of the world.

★ ★ ★

Millions of Americans watched this first launching of an American into earth orbit with something akin to silent awe—and then came the cheers.

★ ★ ★

Yes indeed, it was a great day! It was more than another Fourth of July!

May we leave this as a lasting tribute to Mr.
John H. Glenn, Jr.

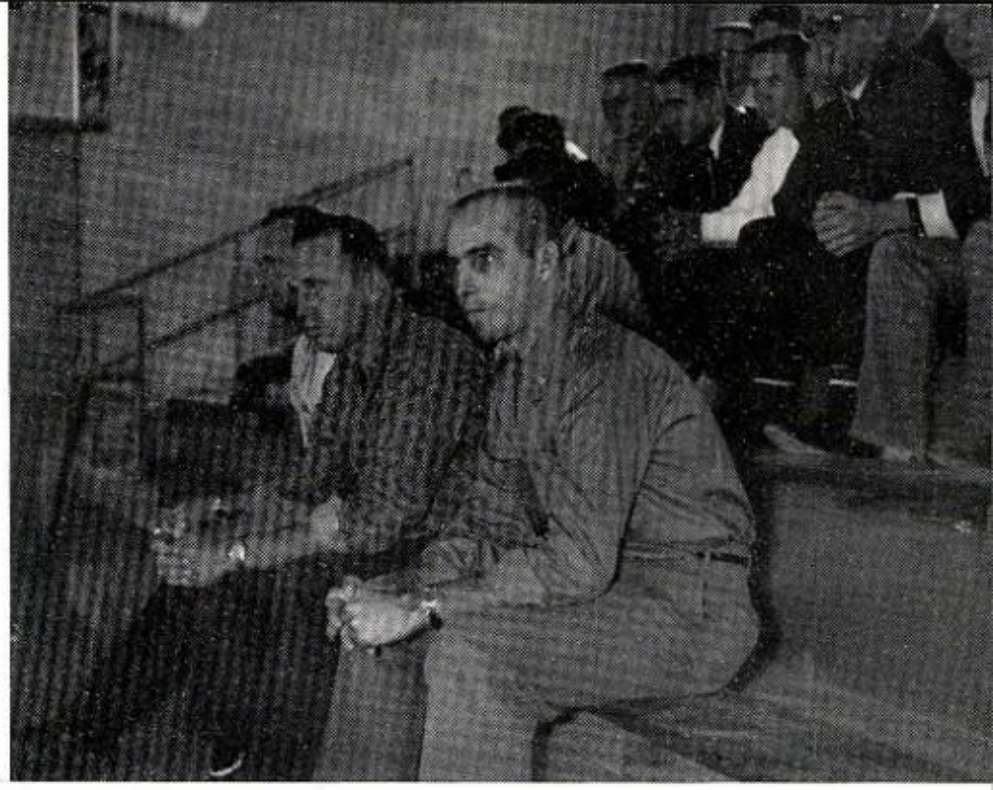
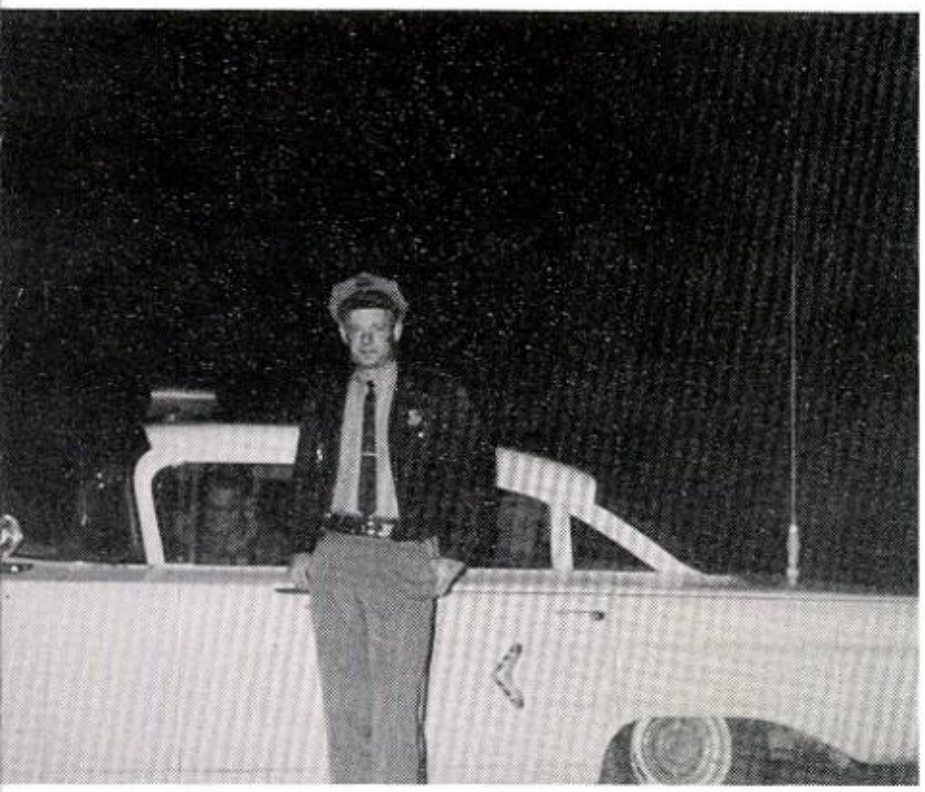
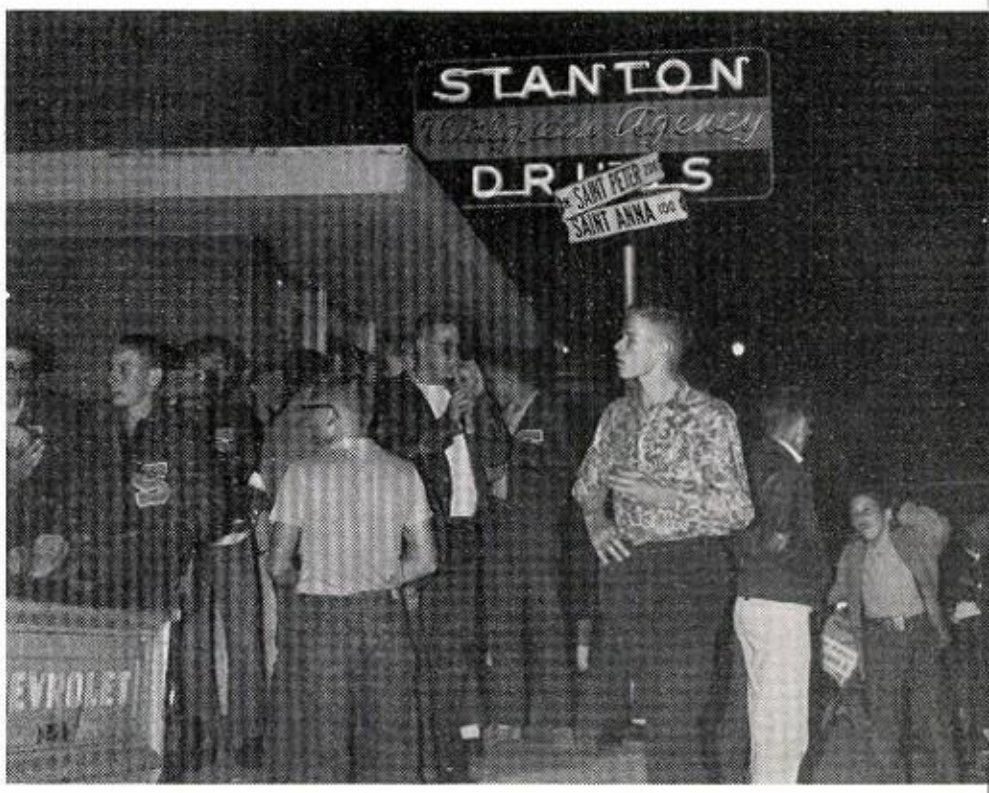
Ronnie, don't you know the rules about gum at school functions?



Yes, he's disobeying School rules.



All right you guys who started the fire?



Wasn't Me!
Me Either!

Thar she blows!

WHOOOSH!!

This is the end again. We hope you like it all, and especially all this "writing space" at the end of the book. Four pages we paid for, and the other four are compliments of the publisher, Colorpress, Inc. of Austin, Texas.

Hasta la vista, amigos.
